

THE Y @ WORK FAQs

Who will be eligible to participate?

The business has decided to reopen The Y @ Work onsite fitness facility only for members who are fully COVID-19 vaccinated, and have entered their vaccination details into the [GEA COVID-19 Tool](#).

I work out at a local YMCA and it does not require vaccination – why does The Y @ Work?

Since The Y @ Work is a vendor partner at GEA Appliances, all vendors must follow the GEA business COVID-19 rules that the BCP team has in place – including the fully vaccinated requirement and temperature screening process.

How do I use the GEA COVID-19 tool to show proof of my vaccination?

Use [this hyperlink](#) to input your vaccination dates and follow the instructions below as a guide.

1. Employees: Enter your SSO and manager details
2. Contractors: Enter your SSO and GEA sponsor details
3. Retirees/Spouses/Dependents: Use template below to input fields

Notice at Collection:

GEA uses this form to collect data related to exposure to COVID-19, temperature screening failures, diagnoses of COVID-19, and vaccination status. Data collected includes identifiers such as your name, email address, phone number, SSO, geographic location, and vaccinations you have received.

We collect this data to enable GEA management to notify our medical team that you may need support in managing COVID-19 concerns, to determine how COVID-19-related safeguards may apply to you, to make decisions related to the operation of GEA's business, and for other COVID-19-related purposes.

What hours will The Y @ Work be open?

The Y @ Work will be open Monday – Friday 5 – 9 a.m. and from 10 a.m. – 6 p.m. The facility will close from 9 - 10 a.m. for cleaning.

What services will be available?

Towel service, showers, lockers, strength equipment, limited group exercise, and limited cardiovascular equipment will be available during the initial re-opening of The Y @ Work.

BONUS: The YMCA is also offering its on-demand workouts as part of your membership! Great for individuals not vaccinated but still interested in YMCA resources!

Once I renew my GEA Y @ Work membership, how do I access the on-demand workouts through the YMCA?

Visit [Virtual Check In | YMCA of Greater Louisville \(ymcalouisville.org\)](https://www.yocalouisville.org). Enter the barcode number from the back of your membership card and click “submit” to access the collection of virtual resources. You can also find your barcode number on the YMCA app at the bottom in the “card” section.

Contact Group Exercise Coordinator Robbie Evans at Robbie.evans@geappliances.com if you need support with the on-demand workouts.

How is the staff ensuring a clean environment?

Health & Safety Champions will disinfect all high-touch areas throughout the day in partnership with GEA’s cleaning service, LaCosta.

To reduce unnecessary touches, The Y @ Work staff will provide each member with a disinfectant spray bottle, cleaning cloth, shower towel, and locker number. Each member is asked to wipe down the shower tiles and equipment before and after use.

All the toilets and sinks have been upgraded to touchless.
